PETITION TO DIVEST THE CANADA PENSION PLAN FROM COMPANIES COMPLICIT IN GENOCIDE

Gabriola Island, British Columbia

To:

Mark Carney, Prime Minister of Canada
Tamara Kronis, Member of Parliament, Nanaimo-Ladysmith
Sheila Malcolmson, MLA, Nanaimo-Gabriola Island
The Board of Directors, CPP Investments

We, the undersigned, are contributors to and beneficiaries of the Canada Pension Plan. We did not consent to have our retirement savings invested in companies supplying weapons, surveillance technology, and equipment used in the killing of civilians in Gaza and elsewhere.

A 2026 report found CPP Investments increased its holdings in companies tied to Israel's occupation and military campaign by more than 23 billion dollars in a single year, nearly doubling its exposure to 54.8 billion dollars.

We call on CPP Investments to divest from all companies credibly identified as complicit in war crimes, genocide, or apartheid, and to disclose publicly which holdings meet that standard.
